

HAMBURGER SPEICHERSTADT DISCOVERY TOUR

An approx. 30-minute ride full of history & highlights

Hop aboard and explore Hamburg's famous historic warehouse district. Enjoy a relaxed and informative ride with many surprising stories. The Speicherstadt is much more than red brick buildings and canals.

During the tour, you will learn:

- how Hamburg became an important international port
- why coffee, tea, spices, and carpets were stored here
- who worked here: merchants, warehouse workers, and customs officers
- how the Speicherstadt changed from a working area into a World Heritage Site

Elbphilharmonie Hamburg

Did you know?

The Speicherstadt is built on more than 3.5 million oak piles. Without them, the buildings would sink into the ground.

Learn more fun facts during the tour.
